Purpose (and Explanation) of the Proposed Amending By-Law 09-19

The requested zoning amendment will, if put into force and effect, serve the following purpose:

- To rezone a parcel of land in Pt. Lot 20, Con 1, Lazier Rd from “**Marginal Agriculture** ” to “**Rural Residential**”

No persons were present to speak in favour of the zoning amendment or to speak against the zoning amendment.

The Clerk tabled a letter from Justin Harrow, Hastings County Planning Department dated June 24, 2009 asking that the matter be deferred, since although it appeared that the zoning would be a condition of this consent application – said application had not yet been approved or considered by the Hastings County Planning Committee.
