

## Welcome Message from the Fire Chief, Stanley Laton

Welcome to the Township of Tyendinaga Fire Department, I am extremely pleased to be able to communicate with the citizens we serve, as well as the people who have taken the opportunity to view our official Tyendinaga Township website. This site offers an abundance of safety and emergency information, the department history and operations; I hope you find this interesting and informative for you and your family.

Our goal for this website is to provide a vehicle for us to educate you about our organization and to provide a mechanism for communication between us and our community. I encourage you to explore the available pages, use this tool to learn about your fire department, and communicate with us. Whether you are interested in fire suppression, fire prevention, emergency medical services, community wildfire safety or disaster preparedness, you should find helpful information here. Also, please let us know how we can improve this site to better communicate with you.

Again, thank you for your interest in the Tyendinaga Township Fire Department. Keeping our residents safe is a task that requires partnership between the fire department and the members of our community. We look forward to continuing to grow our partnership with you in the future.

Sincerely,

Stanley Laton

Fire Chief
